A Message from our President

Since 1971, the Hyack Festival Association has organized a wide range of events to help preserve our history and traditions in New Westminster. By fostering a positive image, we promote the city both locally and internationally.

As President 2023 I am greatly honoured for the opportunity to represent the Hyack Festival Association and hope you will join us as we celebrate our 52nd year!

Throughout the 12 months, Hyack Festival offers community members of all ages many opportunities to participate in fun-filled events, while also recognizing our time-honoured traditions and treasured community spirit which truly makes us a Jewel of our City!

"Jewel of our City" reflects our organization's commitment to the community and it's people. We look forward to welcoming you as we celebrate Hyack Week in New Westminster through our International Parade, our Festival in the Park, and many other exciting festivities!

Penny McIvor
