Eat, Drink & Share Proceeds Benefit the Humanitarian Efforts of The Rotary Foundation of Rotary International

The mission of the Rotary Foundation is to support the efforts of more than 1.2 million Rotarians in 175 countries to achieve world understanding and peace.

To raise funds for The Rotary Foundation we sell ads in a journal to all local companies, large and small. We are expecting approximately 500 guests — business owners and managers — who will each receive a copy of the journal. Rotarians are very loyal business owners who entertain very often and patronize participating establishments. We greatly appreciate your participation in this event and know it will be as good for your establishment as the funds raised will be, for the very needy, poor and sick. *All the profits from this event go to the Rotary Foundation for distribution to the less fortunate around the corner and around the world!*

Programs Supported by THE ROTARY FOUNDATION

Polio Plus “A Gift To Mankind”

Since 1988, Rotary's efforts, along with the World Health Organization, The Centers for Disease Control and governments around the world, have achieved a 99 percent reduction in the number of polio cases worldwide. To date, Rotarians have contributed over a billion dollars plus millions of hours as Rotary Volunteers, doing service work in countries throughout the world.

International Humanitarian Projects

These projects raise the standard of living in both our communities and internationally by improving health, literacy levels, and water quality, giving impetus for agricultural, social and economic development where it is most needed.

Educational Programs

The Educational Programs include Ambassadorial Scholarships, Grants for University Teachers, Group Study Exchange and The Rotary Peace and Conflict Studies Program. There are approximately 1300 international scholarships for graduate, undergraduate and vocational study each year. More than 500 annual Group Study Exchange teams of young business and professional men and women are provided travel grants to foreign countries.
