

Plant a Tree

The 2017-18 President of Rotary International, Ian Riseley, has asked Rotary clubs to show their commitment to addressing climate change by planting a tree for every member. Join all the San Francisco clubs as we plant up to 500 trees in one day.

Every
Rotarian
Plant a Tree

Saturday, August 26th
Balboa High School
1000 Cayuga Ave, SF

Rotarians, Family and Friends, come join the Planting Platoon. Sign up at Rotary5150.org/calendar or with your club's service coordinator.

Sat. August 26

Beginning at 8:30 AM, we'll meet at Balboa High School with SF Department of Public Works Urban Forestry. They will provide the trees and equipment; Rotary provides the manpower and enthusiasm. Light lunch will be provided for all participants. Be sure to wear light clothing, closed toe shoes and bring gloves.

And when the planting is done, we will meet at Ocean Ale House, 1314 Ocean Ave. to celebrate.

Saturday August 26, 2017
