AND THERE'S MORE!

There will be a brief, interactive event using "Kahoot". You will need a smartphone or tablet - in ADDITION to the screen you will be using for the meeting.

There is free Kahoot app for both iOS and Android; ideally download and install before this evening.

If you would rather not install an app you may also browse www.kahoot.it on your smartphone or tablet - this may be easier.

We recommend using the largest screen you can for the Celebration itself!
