

This Summer a new accessible playground will be built at La Crescent-Hokah Elementary School. Thank you to the fundraising efforts of the PTO (\$50,000) and the support of ISD 300's Community Education and Discovery Preschool (\$20,000), the Rotary Club of La Crescent (\$5,000) and citizens in our district (\$25,000).

# Let's Play Together Playground

La Crescent-Hokah Elementary School

Help us make this dream playground a reality. The Let's Play Together Playground will allow all children of all abilities to play, grow and learn together in a safe and inclusive environment. The many different play elements of this structure will allow children to find ways to engage with each other while finding challenges to each individual's abilities. It will be a place for laughter, friends and fun for all!
