

## CENTRAL LAKES ROTARY CLUB

### “LETTER FROM SANTA” Project

Looking for that extra personal Santa Letter? Let Central Lakes Rotary Club show you just how exciting Christmas can be for your children, grandchildren, spouse, and friends. How about that grouchy person that just needs to smile? Now THAT’S someone who could use a Santa Letter this Christmas Season!

**Central Lakes Rotary Club is selling “Letters from Santa.” We have a direct connection with the jolly fellow. The letters are \$5.00 each and will be sent to the person you list on the order form. Your name will NOT be mentioned in the letter or return address. We have found that it is just as much fun to send these to adults as it is to the kids, so whether they are young, or young-at-heart, it’s all good! There is no limit to how many you can purchase. There are 5 DIFFERENT letters, so if you wish to send to more than one child (or adult) in the same family, they will each get a different letter.**

Here is the really neat part. The letter will be

- ) Postmarked from the **NORTH POLE**;
- ) Printed on Santa’s own letterhead; and
- ) It will be signed by the jolly fellow himself.

**Proceeds will be used for the Central Lakes Rotary Club Community and International Service Projects, and all order forms must be received by **SATURDAY, NOVEMBER 30, 2019.****

Simply complete your Order Form and mail it with your check to:

Christmas 2019

Dear (First Name),

SAMPLE

It is so wonderful to be able to write to you personally and tell you about what Mrs. Claus and I are doing! It is getting really busy around here!

The reindeer are out and about and are practicing their flying, and especially their landings. After all, we need to land on the roof of your house very softly! And, we can't make a lot of noise, but you know that Rudolph! He is such a character; he just loves to call out "Hurray!" every time the landing is a good one.

Mrs. Claus is busy baking cookies and making fudge. She thinks that maybe I should be eating less of the sweet food and maybe try something like carrots. I guess the reindeer and I could share our snacks that way.

The elves are going full speed in the workshop, making toys, wrapping gifts, getting ready to load things up for the big night! I did tell them not to use duct tape when they are wrapping the gifts! They will need a vacation after all of this work.

I know you, too, have been busy doing things to help around the house and to help your other friends and family. That is wonderful! That is part of what Christmas is all about. It isn't only what we get, but what we can give. Maybe we don't have a gift that is all wrapped up fancy, but you know sometimes a HUG is better than anything else in the world.

You take care and keep on being good. I am getting ready for the big trip. You will be asleep so you won't be able to see me, but maybe if you listen carefully, you might be able to hear Rudolph call out "Hurray!" as we land on the roof.

Be good and stay well. Give Santa's love to all.

**Your Good Friend, Santa Claus**
