SAVE THE DATE – Rotary Kurt Luedtke Memorial Golf Outing – Saturday, August 21st, 2021

Dear Community Member,

The Frankfort Rotary Club invites you to support the Inaugural **Kurt Luedtke Memorial Golf Outing** this summer at Crystal Lake Golf Club in Beulah, MI. This fun and friendly event will be held as a 4-person scramble format on Saturday, August 21st from 8 am – 1 pm.

The event offers Men's, Women's and Co-ed teams for 18 holes of golf, followed by an outdoor lunch and drinks. Cost is \$200 per team (\$50 per player) and includes golf, cart and on-course prizes and entertainment in a safe, outdoor setting.

Our goal is to raise \$12,000 to support the local Willoughby Rotary Foundation scholarship program which has provided both academic and vocational scholarships to graduating students at both the Benzie Central and Frankfort School districts. **Since 1990, this program has awarded over \$350,000 in scholarships to 121 local students.** This is our club's only fundraising event for 2021.

To this end, we are also in search of Event Sponsors as well as hole sponsors to help us achieve our financial goals and support this worthy cause. If you'd like to be a title or major sponsor for this important event, please contact me directly to discuss those opportunities. Individual hole sponsorships are available for \$100 and can be confirmed by mailing a check to the Frankfort Rotary Club, PO Box 701, Frankfort, MI 49635.

My brother Kurt Luedtke - who passed away in May, 2020 - was an avid golfer and really enjoyed helping out the local community – especially at Frankfort High School class night presenting these scholarships to graduating seniors. We want to continue this program with Kurt in mind.

If you have questions, please contact me or Dave Stapleton @ Crystal Lake Golf Club (231) 360-8453.

Sincerely,

Alan K Luedtke
President – Willoughby Rotary Foundation
