CANCER SUPPORT COMMUNITY

Royal Victoria
Regional Health Centre

The Kempenfelt Rotary Club was chartered in 1999 and currently has more than 60 active members. We are an energetic group of business owners and community leaders who enjoy fellowship and working together in service to our community.

With your support, we are proud to say we have been very active in both our local and international communities. Our Club and its annual golf tournament have helped support numerous local organizations including the **Royal Victoria Regional Health Centre, Georgian College, Gilda's Club, Big Brothers & Big Sisters, Seasons Centre for Grieving Children, Women & Children's Crisis Centre, Hospice Simcoe, Simcoe County Association for People with Special Needs.**

Also at the international level, this event has helped fund wells in India, water treatment in the Dominican Republic, sports equipment to an orphanage in Africa and most recently took part in the building of a school in Cambodia.

The proceeds from this year's event will go to Hospice Simcoe, Seasons Centre for Grieving Children, and Barrie Police Junior Constable Camp.
