- Headphones-students are required to purchase headphones to use with their school-supplied Chromebooks, and inexpensive headphones can be purchased at local dollar stores
- Children's vitamins - we would like to provide the backpack families with a supply of vitamins in our summer packages
- Proteins - cans of tuna, chicken, meat-based soups, canned pasta with meats, peanut butter, etc. are the items that have the most impact on our grant budget, so these foods are very welcomed
- Small toiletry items-tissue packs, toothbrushes, toothpaste, floss, soap, etc.
