

TRANSPORTATION MEMO

The following is a list of locations and times for charter bus transportation to the RYLA conference. The busses must maintain a fairly tight time schedule and simply can not wait for individuals who miss the scheduled pick up times. If you miss the bus, it will be up to you to catch the bus at the next location or make other arrangements. The times on the memo are for both sessions of RYLA. Simply indicate which weekend your son/daughter is attending and at which site he/she will be picked up at.
