

Dear Potential Sponsor,

The El Segundo Rotary Club is proud to announce our 23rd ***Movie in the Park!*** on Saturday August 5, 2023. After a three-year Covid induced hiatus, we hope to once again welcome approximately 2000 people to El Segundo. This event was the first of its kind and has been the South Bay's foremost outdoor fun family event.

The El Segundo Rotary Club is a non-profit service club. Without the sponsorship provided by your business/company, the Rotary Club would not be able to put on this fantastic summer event. It is through your generous support that we have succeeded in having ***Movie in the Park*** for **twenty-three** years now.

Don't miss this golden opportunity to showcase your company and have your business name linked with one of El Segundo's favorite annual events! The El Segundo Rotary Club looks forward to partnering with you.

Please return the attached sponsorship application by mailing it along with your check to:
