MESSAGE FROM THE PRESIDENT

October 2020

Dear Friends of Rotary,

Welcome to the 11th Annual 4 Way Test Breakfast! This has been a strange year to say the least. We hope you and your family are healthy and have persevered through these Pandemic times. In the recent past, we've gathered annually at the Doylestown Country Club for breakfast and celebrated many great people in our community. This year the celebration will be online but just as worthy for your attendance. The Rotary Club of Doylestown appreciates your time to participate in this important community event.

You might be wondering what our Rotary Club of Doylestown does for the local community. Most monies raised from our Car Show, Four Way Test Breakfast, Purple Pinkie Race to Zero, Pickleball Tournament, Masquerade Ball and many other fundraisers come right back into our local community! We support a myriad of activities locally and a few international service projects. Also, we have an active scholarship program for Central Bucks High School Students. During our last Rotary year 2018-2019, we have invested over \$73,000 in these charitable endeavors.

What is Rotary? Rotary International is a membership-based service organization. We are a local nonprofit organization with 90 members in our Club. We strive to embody our Four Way Test:

- Is it the truth?
- Is it fair to all concerned?
- Will it build goodwill and better friendships?
- Will it be beneficial to all concerned?

Feel free to visit us at www.doylestownrotary.org or www.Facebook.com/doylestownrotaryclub.

Your continued support will be crucial to our success. Our motto, "Service Above Self", will always be what the Rotary Club of Doylestown strives towards. Thank you for your attendance at this special event.

Sincerely,

Chris Nardo

What is the “FOUR WAY TEST”?

From the earliest days of the organization, Rotarians were concerned with promoting high ethical standards in their professional lives. One of the world’s most widely printed and quoted statements of business ethics is “The Four Way Test”, created in 1932 by Rotarian Herbert J. Taylor when he was asked to take charge of a company that was facing bankruptcy. This 24-word test for employees to follow in their business and professional lives became the guide for sales, production, advertising, and all relations with dealers and customers. The survival of the company is credited to this simple philosophy. Adopted by Rotary in 1943, The Four Way Test has been translated into more than one hundred languages and published in thousands of ways. It asks the following four questions:

OF THE THINGS WE THINK, SAY OR DO...

1. Is it the Truth?
2. Is it Fair to All Concerned?
3. Will it Build Goodwill and Better Friendships?
4. Will it be Beneficial to All Concerned?

For over sixty years Rotarians have been using The Four Way Test as a practical yardstick in our business, community, and personal affairs. You will note The Test does not provide answers. It asks questions which the user must answer. Thousands of Rotarians have used it and shared it with others. Millions of copies have been distributed to students and business associates. The Test has been carved into granite monuments, displayed on billboards, written into labor contracts, printed on wrapping paper and umbrellas and has been the theme of countless awards, essay and speech contests.

The Four Way Test is the key to being a Rotarian. It reminds us that we practice high ethical standards in our everyday lives. We believe that if we can promote The Four Way Test to our community and the younger generation, it will benefit all of us.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster...

FIRST The development of acquaintance as an opportunity for service;

SECOND High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

What would it take TO CHANGE THE WORLD?

Rotary International is the world's first service club organization,

WITH MORE THAN 1.2 MILLION MEMBERS IN 34,000 CLUBS WORLDWIDE.

Rotary club members are volunteers who work locally, regionally, and internationally to combat hunger, improve health and sanitation, provide education and job training, promote peace, and eradicate polio

under the motto **SERVICE ABOVE SELF.**

Declaration of Rotarians in Business and Professions

As a Rotarian engaged in a business or profession, I am expected to:

- 1 Consider my vocation to be another opportunity to serve;
- 2 Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
- 3 Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
- 4 Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
- 5 Recognize the honor and respect due to all occupations which are useful to society;
- 6 Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
- 7 Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
- 8 Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

SHELTERBOX AND ROTARY

Right now, around 85 million people around the world
 have been displaced by natural disaster and conflict.
 Shelter Box and Rotary are working to change this.

By providing emergency shelter and tools for displaced
 families, we are transforming disaster into hope.

Each ShelterBox is tailored to a disaster but typically
 contains a disaster relief tent for an extended family,
 blankets, water storage and purification equipment,
 cooking utensils, a stove, a basic tool kit, a children's
 activity pack and other vital items.

The Rotary Club of Doylestown members support
 ShelterBox through a weekly raffle which enables
 our Club to provide a ShelterBox and supplies to two
 families annually. We are striving for a world where no
 family is left without shelter.

HONOREE - EDUCATION

Matt Pecic

@mattpecic on Twitter describes himself as a . . . Somewhat Cool Librarian; Better Than You Poker Player; Pretty Good Husband (on most days); Trying to Win Father of the Year (at least get my daughters' votes)

The Somewhat Cool Librarian Part: Pecic realized early on as a high school librarian that in order to make an impact on students he had to get them to believe in him. In order to get them to believe in him, they had to know him. In order to get them to know him, they

had to want to come to the library. Success! Over 400 students a day visit the library. Some to read, some to study, and some to eat lunch! The popularity of the library allows Pecic the opportunity to get to know the students at CB South. He and the students talk books, they talk college, they talk life. The biggest lesson he has learned over his twenty-eight years in education is to practice Stephen Covey's habit number five of The 7 Habits of Highly Effective People: Seek First to Understand, Then to be Understood.

The Better Than You Poker Player Part: Let's shuffle up and deal!

The Pretty Good Husband (on most days) and Trying to Win Father of the Year (at least get my daughters' votes) Part:

Pecic knows he is blessed to have a job that he loves, but he is just as blessed to be a Pecic! His wife Kate, his daughters Molly and Aubrey, and his Dad Henry all make being a husband, a dad, and a son a beautiful thing.

To sum it up, Pecic writes three affirmations in his daily journal:

1. Tell Aubrey, Molly, Kate and my Dad that I love them and show them through my actions
2. Change a life at CB South
3. Have \$100,000,000 by age 60

To quote the great philosopher Meat Loaf, "Two out of three ain't bad!"

We are proud to partner with the Doylestown Rotary to honor this year's **4WAY TEST AWARD WINNERS**

HONOREE - NOT-FOR-PROFIT

Keith Fenimore

Founder and Executive Director, Pine2Pink Foundation

Pine2Pink is Keith Fenimore's first foray into the non-profit world. Fenimore was motivated to create an organization that helped the greater good and memorializes his grandmother, Josephine Mazza, who he never met because of breast cancer and to honor his mom Marianne Fenimore, a survivor and an inspiration.

Pine2Pink is designed to be an experience-based non-profit that turns typical fundraising on its ear and provides participants and donors with an immersive, visceral experience. Pine2Pink strives to inspire the entire community to engage and in doing so raise money that makes a difference in the lives of local breast cancer patients.

The people behind Pine2Pink are Fenimore's mom Marianne, his dad Ron, and his wife Kristina, all Fenimores! To learn more about Pine2Pink visit www.pine2pink.org and donate if you wish.

Outside of Pine2Pink, Fenimore serves as President of the Board for the Oscar Hammerstein Museum and Theatre Education Center. Doylestown was home to Oscar Hammerstein II when he wrote the Sound of Music, Carousel, Oklahoma, the King and I, and South Pacific. The Education Center, a non-profit, is raising money to persevere and renovate the property and transform it into a museum and theater education center.

Fenimore is originally from New Hope, PA which explains his street smarts. As a kid, he spent time on the stage at The Bucks County Playhouse. It was on that very stage during the production of Show Boat (an Oscar Hammerstein musical) that Fenimore realized his talents would be better served behind-the-scenes. This epiphany, at 8-years-old, informed a 27-year career in entertainment that he enjoyed in Los Angeles and New York.

Fenimore had had a blast, creating, producing, directing, and writing TV shows and documentaries for E! Entertainment Television, The Documentary Channel, PBS, A&E Networks, ReelzChannel, The Howard Stern Show, and others.

Fenimore currently works as a creative executive for two agencies. Sun Graphics Media, a branding and marketing company and ASGAV, a local production and live events company.

Fenimore is blessed to have two children and one wife! Kase (10), Kansas (5), and Kristina (young at heart).

Lisa Tremper Hanover

**Consultant to Museums
& Cultural Organizations;
Director/CEO (retired),
James A. Michener
Art Museum**

In her 35 years as a museum professional, Lisa Tremper Hanover has transformed museums physically, programmatically, and operationally. Her broader role as a senior

leader in the cultural field has had a positive impact on art and history museums, humanities organizations, and other non-profit entities.

Hanover was named Director & CEO of the James A. Michener Art Museum (2012-2017) after a successful tenure as Director of the Philip and Muriel Berman Museum of Art at Ursinus College (1987-2012). She now serves on the Steering Committee for the American Alliance of Museums (AAM) Independent Museum Professionals Network.

As leader of the Michener Art Museum program, Hanover has overseen the transformation of the physical facility with new façade landscaping, revitalization of permanent collection galleries, refreshed curatorial efforts, evolution of professional staff, mounted a celebration of the Museum's 25th Anniversary of operation, and negotiated for the highly successful exhibition From Philadelphia to Monaco: Grace Kelly – Beyond the Icon presented in 2013-2014 to over 100,000 visitors. A leader in the museum field, Hanover has conducted numerous Museum Assessment Program reviews and served on AAM Accreditation teams. She retired from this position in January 2018 and currently serves the cultural field as a consultant,

In addition to presenting at numerous regional and national conferences, Hanover is an enthusiastic and knowledgeable public speaker, with presentations to over 300 regional and national organizations. She has served as President of the Association of Academic Museums & Galleries (AAMG), President of the Pennsylvania Federation of Museums & Historical Organizations and juried over 100 art exhibitions and public art commissions. She has served on the Board of Directors of the Wayne Art Center, The Baum School of Art, The Perkiomen Valley Chamber of Commerce, The Central Bucks Chamber of Commerce, the Center for Art in Wood of Philadelphia, Hortulus Farm & Garden, and serves on the Development and Gala Committees for the Bowman Hill Wildflower Preserve.

HONOREE - COMMUNITY VOLUNTEER

Robert T. Boquist

Colonel, US Air Force (retired)

Rob Boquist earned the Eagle Scout rank in 1984. That same year, he graduated from high school in Augusta, GA, and received a full academic scholarship in the honors program at Georgia Southern University. In 1988, he earned a bachelor of arts degree in German and a bachelor of science degree in Mathematics.

Boquist decided to join the US Air Force,

received his officer commission from Officer Training School in 1989, and completed pilot training in 1990. He rose to the rank of Colonel and retired from the Air Force after 26 years of service as a Command Pilot with over 3,000 hours flying multiple trainings, airlifts, and performed aerial refueling.

Boquist also has a Master of Air Mobility from the Air Force Institute of Technology (Logistics, 2001), and has held staff positions in various Air Force, Joint, and Canadian Commands (as an exchange officer.) He holds the Bronze Star and numerous Air Force and Joint decorations, including Humanitarian Service Medals from African and Central American relief efforts. Boquist deployed to operations in several combat theaters, including Kuwait, Bosnia, Iraq, and Afghanistan. As an ardent supporter of Scouting programs in the many communities he lived in during his Air Force career, Boquist was awarded the Military Outstanding Volunteer Service Medal four times.

Upon retiring from the Air Force in 2014, Boquist and his wife, Rebecca, and their children, Sophia and Quinn, embarked on a year-long, 10,000-mile cross-country journey around the US. While homeschooling their children and experiencing the heritage of the nation, they looked for a community to settle in which best fit them. They chose Doylestown, PA.

Boquist has been involved with scouting for over 30 years. He is a Vigil Honor Member of the Order of the Arrow, Scouting's National Honor Society. Boquist has completed the Wood Badge leadership course and is a four-time graduate of the National Camping School, a Leave No Trace Master Educator, and a Wilderness First Aid Instructor. Throughout his tenure in Scouting, Boquist has served on 16 summer camp staffs, including a camp in Sweden, and has held various leadership positions. He continues his lifelong community service through scouting here in Doylestown. Boquist volunteers most of his time as the Scoutmaster of Troop 71, serving to build character, citizenship, fitness, and leadership in youth.

HONOREE - HEALTHCARE

Carol Duffy

Carol Duffy was born and raised in Philadelphia. After graduating from West Catholic High School, she worked as a secretary until she and husband, Michael, married in 1964. They had two sons, Sean and Matthew, and moved several times before relocating to Doylestown in 1981. In 1988, Duffy started a successful embroidery business from which she retired in 2005.

Volunteering has always been an important part of Duffy's life. As her children grew, she gave her time to their schools, Cub Scouts, Little League, the Doylestown Library, and the CB West High School basketball parents group, among others.

Wanting to stay active and give back to her community, Duffy began volunteering at Doylestown Hospital in 2009 in the gift shop and as a volunteer knitter. These volunteers donate handmade items for the babies born at the hospital, hospice patients, Cancer Institute patients, and pediatric patients. Duffy oversees the section of the gift shop where beautiful items, created by hospital knitters, are sold with proceeds benefiting the Teen Scholarship Fund. Over the years, those items have raised more than \$20,000 to support the scholarship fund for high school seniors heading to college.

Duffy continues to volunteer in the gift shop and as a knitter in addition to several new assignments that include the Information Desk and Human Resources. She also serves on the Volunteer Advisory Committee. She often volunteers for special assignments and fills in as a substitute when needed.

Duffy has contributed more than 18,500 hours of service to patients, families, visitors, and associated with Doylestown Health.

Duffy's dedication to the hospital, in addition to her warmth and sense of humor, has earned her many friends among her fellow volunteers and associates alike.

Duffy's husband passed away in 1997. Her children were grown and married with children of their own. "I needed something meaningful in my life," says Duffy. "And Doylestown Hospital filled that need. It has become my 'happy place.' I get so much more than I give."

In addition to volunteering, Duffy enjoys spending time with her six grandchildren, traveling, sewing, and playing bridge.

"The friends I have made at the hospital opened up new horizons for me," says Carol. "Little did I think in 1997 that I would be traveling the world and having as many new experiences as I have had. I never know what's new and exciting for me around the corner, but I'm ready to take it on."

Rotary Youth Exchange- Outbound Student Applications 2020-21

Outbound Exchange Student Applications 2020-21 Now Being Accepted

Rotary Youth Exchange builds peace and understanding one young person at a time. Students learn a new language, discover another culture, and truly become global citizens. Your club can get involved today by sponsoring an Outbound Exchange Student. Long-term exchanges last a full academic year providing students the opportunity to attend local schools and live with multiple host families. Empower our youth, sponsor a YE student today!

The Youth Exchange Committee has lots of helpful promotional items, including editable posters, brochures and presentations. Your club can use these tools while visiting an Interact Club or general student body at schools to promote the program.

The deadline to submit applications is Friday, November 1, 2019. Go to <https://www.rotary7430yep.org/page/how-to-apply> for application information.

Send completed applications to the **District Outbound Coordinator, Patti Smith, 1162 Horseshoe Drive, Blue Bell, PA 19422.**

Questions regarding the Outbound Exchange process can be emailed to Patti at pattismith0221@gmail.com or call 610-304-2161. Recruit your club's students today!!! Get involved, we can help!

4 WAY TEST SPEECH AWARD WINNER

Liam Price

Liam Price is a now Senior at Central Bucks West. He stays busy by involving himself in the school jazz and symphonic band, the cross country and track teams, and journalism. In band, he plays both the saxophone and clarinet, and participated in the High School county honors band for two years in high school. With a group of his friends, he performs in a jazz quintet, called the C.L.A.M.M. Factor, in venues around the Doylestown community. With practice every day after school, all year round, Liam is always occupied with running, whether it be for track or cross country. But he also likes to go mountain biking or

play basketball with his friends when he gets the chance. Liam has long held a passion for journalism, which is a key reason he decided to participate in the Rotary 4-Way Test Speech Contest. In his junior year, he joined a youth panel, called Reality, for the Bucks County Courier Times, which he has been writing for ever since. His favorite things to write about are sports and lessons from history that can be used for current events. Right now, he is helping launch a brand new website for the school newspaper club as the club's layout editor.

DOYLESTOWN ROTARY OUTBOUND YOUTH EXCHANGE STUDENT

Veronica Jenkins

Veronica Jenkins is currently a senior at Central Bucks West. At school, she participates in Girl STEM club, stat club, and the Rotary's Interact club. In the 2019-2020 school year, she was the Doylestown Rotary's outbound Youth Exchange student to Brazil. This year she participated in the Girls Who Code Summer Immersion program which encourages women to study STEM. After high school, she plans on pursuing a career in statistics or computer science.

DOYLESTOWN ROTARY INBOUND YOUTH EXCHANGE STUDENT

Sophie Neddermeier

Sophie Neddermeier is currently a sophomore at school in Fredericksdorf, Germany. She is an equestrian and loves to run and ski in her free time. She came to CBWest as an exchange student for the 2019-2020 school year, when she was 16. She served on the Yearbook Committee, joined the track team for all seasons, and participated in the Interact Club. In her spare time, she traveled with her host families and, during Covid, she learned to bake German pretzels, cinnamon buns, and make pasta from scratch. She also learned how to raise baby chicks. Her future plans include vacationing with her family in Bucks County!

Rotary and Polio

ROTARY & GATES FOUNDATION CELEBRATE 10 YEARS OF WORKING TOGETHER TO END POLIO

Since 2013, the Gates Foundation has matched every \$1 Rotary commits to polio eradication 2-to-1.

THE DISEASE is a highly infectious and most commonly affects children under the age of five. It is most known as poliovirus. It is spread person-to-person, typically through contaminated water. It can attack the nervous system, and in some instances, lead to paralysis. Although there is no cure, there is a safe and effective vaccine – one which Rotary and our partners use to immunize over 2.5 billion children worldwide.

Since we started the fight against polio, the number of polio cases has been reduced by 99.9 percent and more than 2.5 billion children received the vaccine. There are fewer polio cases today than ever before, but we will not stop until we reach zero. If polio is not eradicated, hundreds of thousands of children could be paralyzed. Global health care costs would rise dramatically, and many children's quality of life would be drastically diminished.

Join us in the fight to end polio and help us save lives and give a child a chance at a prosperous future.

IN MEMORY OF OUR BELOVED ROTARIANS

James A. Schmitt

deceased May 9, 2020

Jim was born in 1928 on a farm in Ingraham, S. Illinois. He completed his fighter pilot training just as the Korean War was ending and served four years with the Minnesota Air National Guard, flying P-51s. He joined TWA in 1956 and served 27 years flying the Martin 404, Lockheed Constellation, Boeing 707 and 747. He was promoted to captain in 1963 and flew around the world. He completed 20 years with the NJ Air National Guard, flying F-84F, F-86, and F-100 fighter aircraft. He retired from the USAF with the rank of Major.

Jim owned and operated a travel agency for 25 years in Freehold, NJ, where he was also president of the Optimist and Rotary Clubs. He later ran a bed and breakfast with an organic blueberry farm in Cream Ridge, NJ.

He moved to Bucks County, PA in 2004 where he served on the board of the Anchor Run CSA, and received his Master Gardener certificate from Penn State University at the age of 80.

He is survived by his wife, Carole Mancini, his brother John and sister Susanna, and his children Stephen (Lisa), James (Sandi) and Lisa (Michael), and four grandchildren. He was predeceased by his first-born son, Mark, in 1977.
