### **Rotary Club of SaddleBrooke**

Rotary International is a volunteer organization of 1.2 million business and professional leaders united worldwide to provide humanitarian service and help build goodwill and peace. About 32,000 Rotary clubs in more than 200 countries and geographical areas conduct projects to address today's challenges - including illiteracy, disease, hunger, poverty, lack of clean water and environmental concerns - while encouraging high ethical standards in all vocations.

The Rotary Club of SaddleBrooke is made up of approximately 45 men and women who are your neighbors and business people in SaddleBrooke and surrounding communities; each is a member of Rotary International.

We meet every Thursday for lunch at the SaddleBrooke Clubhouse dining room. In addition to our international focus, we do community service projects directed to the young people who live in the communities around SaddleBrooke; examples can be found on the cover of this publication. We currently have working relationships with clubs in Hermosillo and Nogales to assist their members in providing services to their communities and to promote good will between our two countries.

If this sounds like an organization you'd like to learn more about, please visit [Rotary.org](http://Rotary.org), [SaddleBrookeRotaryClub.org](http://SaddleBrookeRotaryClub.org), or call past club president Joe McGowan at 520-825-4478.

If morning meetings better fit your schedule, the Rotary Club of SaddleBrooke – Sunrise meets at 8 a.m. in the Mountain View Bistro.
