

ATTENDANCE DETAILS FROM THE DISTRICT GOVERNOR:

We are changing the format this year to have all our clubs sit together once we leave the field. In the past everyone just ran for their seats and sometimes had difficulty finding a desirable seat.

This year, all of our district seats are reserved. They cost a little more, but they also include \$4.00 that can be spent at any concession stand or club store. Most people spend at least that on their own, but this year everyone from our clubs has a four dollar credit to spend.

Please gather behind the first base side of the field in the parking lot. The Governor's club, Weymouth, is first in line. The next is North Providence, club of the PawSox Chair Lou Mariciano. All other clubs should follow behind as you arrive at the field. We will try to go onto the field at 6:45, so plan accordingly.

Please promote this event to your club members. It is a fun time for the whole family. This is our 17th year, and let's make it our best.

Don't forget to bring your club banners with you. Per tradition, as DG, I will throw out the first pitch.
