Service above self

Being a member of our Vail community and a citizen of the world is a privilege and an obligation. As Vail Rotarians we do our best to help make a difference. I ask you, as a local community advocate, to think about that and reach out to your friends, business associates and your own heart, to help make that difference this year.

Our corporate partners provide funding and valuable relationships to the Vail Rotary Club. In addition to potential tax benefits, our sponsors receive recognition of their support in various forms such as summer long logo placement at the Vail Farmer's Market as well as radio, print, and internet impressions.

So make a difference this year. Be pro-active in the promotion of your business, community involvement and most importantly help make this world a better place.

Yours in Rotary Service,

Chris Aubel
