

Presenting - Car show at Westfield Food Fest!

Automobile aficionados will be able to feast their eyes - as well as their taste buds - at the fourth annual Rotary Food Fest which will be staged on the weekend of August 23-24, 2019 in downtown Westfield.

For the third time, the Food Fest will include a car show which will bring as many as 50 vintage and customized cars to Elm Street, which will be closed to vehicular traffic from School Street to Franklin Street for the event. Visitors to the Food Fest will be able to get an up-close and personal look at stunning examples of the cars of yesterday and today as the owners of the cars show off their treasures and compete for prizes.

The car show is an addition to the Food Fest sponsored by the Rotary Club of Westfield. The free two-day event will begin on Friday at 5 p.m. and close for the night at 10 p.m. The street festival will resume on Saturday at noon and will feature food and drink from local restaurants and food trucks as well as entertainment from local musicians.

As space to display cars is limited on Elm Street only the first 50 registrants will be able to participate in the car show, held Saturday, August 24. **The site will open to participants at 11 a.m. and all cars must be in place when the Food Fest resumes at noon. The car show will continue until 3 p.m. although the Food Fest will not end until 9 p.m.**

Car owners who wish to participate or learn more about the car show are encouraged to send an email to foodfestcars@gmail.com. The advance registration fee for the car show will be \$10 while registration on the day of the event (as space is available) will be \$15.

Please submit the registration form to be included. The form can also be found on our website www.westfieldrotary.org.

Thank you!
