

Gary Evans founded Evans on the Common in Townsend. He served our country in the Marine Corp. He was a Rotarian for over 20 years. Gary served as president of the Townsend-Lunenburg Rotary and was a recipient of the Paul Harris Award. Gary was generous with his time and energy, and known for his enthusiastic smile and infectious laugh. When he wasn't helping others, he enjoyed travel, hiking and golfing with his group of buddies who call themselves "The Slugs." We are proud to name this tournament in honor of Gary.
