

WAWM RCS Dept. Easter Scrambler - Egg Stop Registration

Join the West Allis-West Milwaukee Recreation & Community Services Department on Saturday, April 3rd for Easter Scrambler, a Safe, Non-Traditional Easter Egg Event. (The event would operate similarly to a Trunk or Treat Event but geared towards Easter & Spring.) for the West Allis-West Milwaukee communities. The Easter Scrambler Event will be held between 10 am - 12 pm at Nathan Hale High School's parking lot. Register today to be part of the event by participating as an Easter Egg Stop. Easter Egg Stops are encouraged to decorate their EZ-Up Tent, table, or trunk of your vehicle for Easter/Spring. We anticipate about 200 participants for this event. Easter Egg Stops are expected to supply their own candy/treat-filled (candy, appropriate trinkets, etc) eggs to handout.

More information regarding the set-up timing, layout of the event, parking assignments, etc. will be sent out prior to the event.

The Registration Deadline is Friday, March 19th.

If you have any questions, please contact Amanda Schwichtenberg at 414-604-4963 or via email at schwichtenberga@wawmsd.org.

Thank you for your interest in helping to make this event possible for our community.
