

Harvest Howl 2017

A Benefit for Camp Rotary

Friday, Oct. 27th

**Featuring the music of Guess Who
and special opening act – Pinky and
the Floyd.**

The Guess Who has connected with the masses with fourteen Top 40 hits, including "American Woman", "No Sugar Tonight", "These Eyes", "Clap For the Wolfman", "Hand Me Down World", "No Time", "Share the Land", "Laughing" and "Undun".

"You're going to see an excellent version of the songs and hear exactly how they should sound or be played," verifies founding member and original drummer/songwriter Garry Peterson. "We're coming at a new generation of fans who are seeing how the band can execute with enthusiasm. And we're also making sure the respect level remains at an all time high for how the music was initially recorded and remains at an all time high for the fans who have been with the band from the beginning."

Pinky and the Floyd calls Montana home, but has recently been called the Northwest's Hottest Pink Floyd Tribute Band! The band has also been called "Montana's Most Electrifying Live Experience." Pinky was founded in 2007, and has seen very few personnel changes over the years. Instead, this grass-roots effort has exploded in popularity, selling out shows across the state. They put on an amazing live show that's both note-for-note and improvisational, but it's their superb musicianship that sets them apart from other Tribute Bands. The energy and stage presence is unprecedented!
