

# Buy a duck to change the world!

This year a "Duck Pluck" will take place on April 23, 2022. The winning ducks will be plucked out at our District Conference in Coralville!

Here's how it works:

1. Each club (including individuals from that club) will be represented by a single duck in the race.
2. The first three ducks to be plucked will be the winners. Once the winning three clubs have been determined a computer pick at random will choose one winner of a Paul Harris Fellow designation for each of the three winning clubs.
3. Each club participating in the race will receive Foundation Paul Harris Fellow points for the full amount of dollars contributed by the club from ducks purchased.

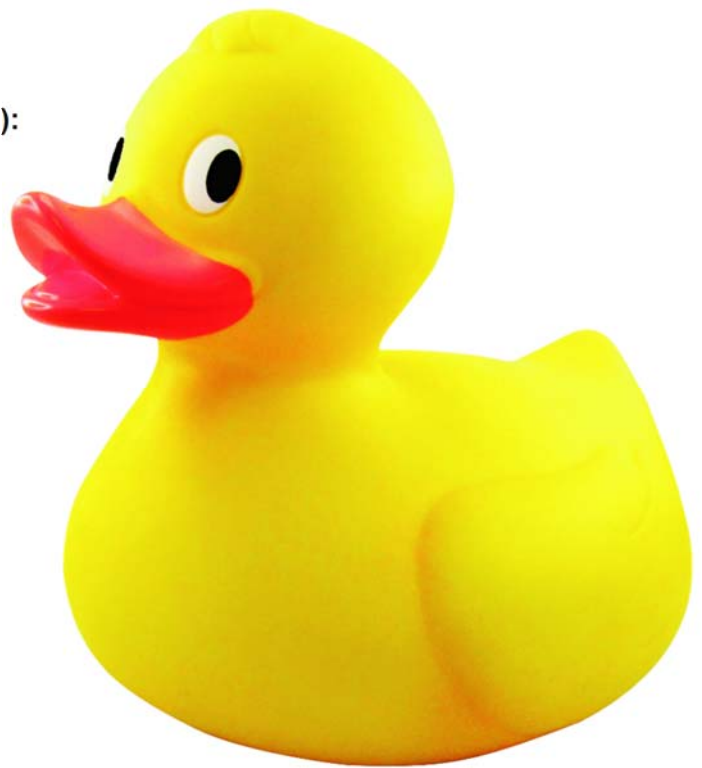

**Ducks are \$5 each.**

Checks are made payable to: The Rotary Foundation  
and mailed to (must be mailed to arrive by April 12, 2022):
