

A fast-paced morning filled with creative ways to strengthen your club!

Short informative talks and videos will be interspersed with facilitated small group discussions so that you can quickly grasp new and innovative ideas that have been used successfully by other clubs.

Learn how you can
"Be The Inspiration"
by more effectively
communicating the value of
Rotary in your life

Learn how your club can
"Be The Inspiration"
by enhancing the public image
of Rotary in your own
community
