# SERVICE PROJECT SATURDAY

**NIAGARA COUNTY COMMUNITY COLLEGE  
APRIL 15, 2023 1:00-4:00PM**

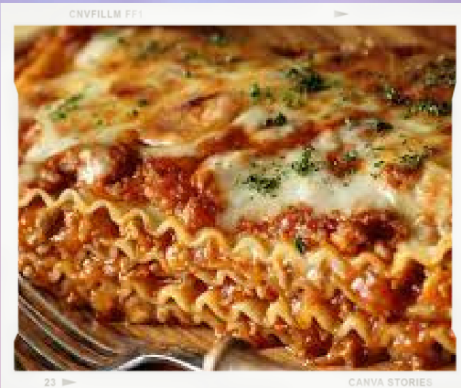

## No Sew Blankets

A no-sew fleece blanket is an easy way to create a quick blanket by laying two layers of fleece fabric together and cutting strips around the sides of the fabric. Help us reach our goal of creating 50 blankets to donate to ***Sleep In Heavenly Peace***. This organization provides beds to families and children in need.

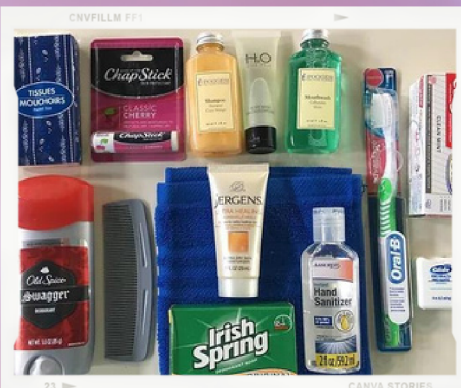

## Hand Made Cards

Covid has created a new reality for many people and now more than ever, there is a growing number of elderly adults who find themselves isolated, or living as shut-in's. We have partnered with ***Hearts and Hands***, a group dedicated to serving this aging community. Create a card and write a message of hope that will be given to adults served through this program! No experience needed! We will be teaching card making 101!

## Lasagna Love

The Interact Club in the Niagara Wheatfield school system started this project a few years ago and its popularity has quickly spread! We have partnered with the Tuscarora Indian Reservation to provide 50 pans of lasagna which will be distributed to families in need. No experience necessary! Join our assembly line of cooks and help us make a difference in someone life!

## Hygiene Care Kits

2 great organizations, ***Not Just Tourists*** and ***Niagara Wheatfield School System*** need our help! Warehouse of Hope is in desperate need of hygiene kits to send to the elderly residents left behind in Ukraine. The school system needs to restock the clothes closet accessed by families in need. Help us package kits for distribution! Supplies are also needed! See the list on our event page for more information!
