

# DISTRICT 7090 SLAPSHOT

Sunday, May 2 - Saturday, May 8, 2021

## SLAPSHOT is going virtual!

Dear Rotary Clubs,

The District 7090 SLAPSHOT Committee is pleased to announce our virtual program for Spring 2021! We are excited to create a virtual "camp" experience for youth across our district to come together to build leadership skills and connect about challenges impacting their schools and communities. We have pulled together some of the most impactful learning from our previous programming and re-developed it for the virtual landscape we are in this year. We have developed a LEADER theme for this year's virtual SLAPSHOT and defined it as follows:

Learn  
Evolve  
Adapt  
Discover  
Energize  
Rotary

Through a week of virtual "campfire" sessions over Zoom, participants will learn about what it takes to be a leader and how to apply new ideas to the challenges they face in their lives. We will be joined by skilled facilitators and engaging speakers throughout the week. "Campfire" sessions provide opportunities for learning about interpersonal skills, problem-solving, wellness and communication skills. Participants are encouraged to attend all seven sessions but must commit to attending a minimum of four. Participants can select which sessions meet their interests, align with their leadership development goals and best fit their schedules.
