

District Conference 2023

It's Time to Register!

April 15th, 2023 Kick Off Event

The day begins with District Council

Join us at
9:00am

Everyone is welcome to attend our District Council meeting that morning. We will be joined by our Youth Exchange students who will be participating in the first Parade of Flags since our 2018 Conference. Our goal that morning.. strategize on how they see themselves in Rotary and how we can implement change in order to stay relevant with the next generation Rotarian!

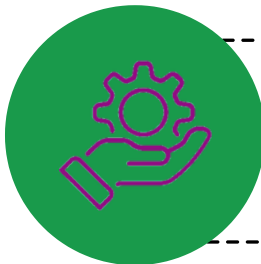

Rotary Showcase and Workshops

After lunch, our International and Community Service groups will be putting on workshops with opportunities to have all your questions answered about the best way to host, or get involved in service projects. Opportunities will also be available for Clubs to host a table in our Rotary Showcase to spotlight the projects they are currently working on. For the full schedule of workshops offered, watch our website for updates!
