

Jan 29, 2019

Dear President Elects,

We hope you are as excited as we are about our upcoming PETS weekend on March 1. You will have opportunity to learn, grow and connect with your fellow Rotary leaders, including incoming Rotary International President Mark Maloney and two Directors from the Rotary International Board. We promise it will be a fun and inspiring time for you.

There are some things we need to have you do **before** you come to PETS. If you haven't already done so, register for PETS as soon as possible as the price will go up soon. Also, you need to make a separate room reservation using the link on the High Country PETS website. We need to you use this to get the advantages of using our room block. This needs to be done immediately.

Be sure you have set up your My Rotary account on the Rotary International site. You will need access to this during the upcoming year. It will give you access to a huge amount of information, reports and training opportunities. It is there, it is free and it is designed to improve all of our Rotary experiences. Please contact your Assistant Governor if you need help.

Finally, we are sending you the **Rotary Foundation Goals** worksheet. You need to bring the completed form with you to PETS. We understand that you may need to discuss this with your Boards. Those discussions need to take place before PETS so we can get the goals completed. We will be asking the Assistant Governors to work with you during February to make sure you have a good idea of your Foundation goals. If you forget it, we will have copies there to help you at PETS.

Our theme for next year is **Rotary Connects the World**. This seems to be a perfect next step to **Be the Inspiration**, our theme this year. Together, all of us in District 5440 will unite and take action to make the world a better place.

Thank you for being part of our leadership team!

See you all soon,

Chris Woodruff, District Governor (2019-2020)

Greeley Centennial Rotary
