The funds raised from this auction are going to be shared predominantly between the Glenallen School and Canteen Australia with a smaller percentage to the Rotary Club for their ongoing Projects.

The \$30 registration/booking fee includes a two course dinner – if you have dietary requirements please advise Graeme Woolacott as noted below.

For other means of registration and for donation of auction lots please contact Graeme Woolacott via woolyg@bigpond.com or 0408 345 049.

With the COVID-19 global pandemic effecting the fund raising capabilities of all three organisations, your support with the giving of goods, services or even financially, would be greatly welcomed and appreciated. For a financial gift, a tax deductible receipt for 90% of the funds donated will be provided.

Of course having auction lots pales into insignificance without bidders, so you and your friends would help to enable this function achieve a successful ending, so book a table and have some fun while helping a worthy cause.
