

The Combined Rotary Clubs of Monash have proudly conducted the annual Mayor of Monash Golf Day for the past 40 years.

Over this time in excess of \$1,000,000 has been raised and dispersed to needy groups within the local community.

Net funds raised in 2019 will be distributed to the Cerebral Palsy Education Centre (CPEC). CPEC provides specialist education services for children with Cerebral Palsy and similar conditions within the City of Monash. CPEC have been recognised around the world for their work and have successfully helped to change the lives of thousands of people living with CP.

Described by our families as a place of hope, the
Cerebral Palsy Education Centre (CPEC) delivers
world leading programs to help children living with
Cerebral Palsy and their families learn essential life
skills many of us take for granted.

CPEC provides over 14,000 hours of therapy a year
and uses leading-edge technology to ensure every
child reaches their potential, no matter how severe
their disability.

100% of our children learn to communicate.

**Over 85% of CPEC children go to mainstream
kindergartens and schools**

With no direct government funding and a growing demand
for our services, we need your help to continue to support
our families. There are many ways you can support CPEC
– why not make a donation now or set up a fundraising
