About Celeste

Celeste is the inspiring Founder & CEO of the global award-winning nonprofit, Days for Girls International (DfG). Since 2008, Days for Girls has restored days of education and opportunity to more than 1.7 million women and girls in over 140 countries, by providing access to sustainable feminine hygiene solutions and health education.

What started as a simple question in the middle of the night to ask how girls manage their periods in an overcrowded orphanage in Kenya, turned into a global movement that is working to bring dignity, education, and opportunities to millions of women and girls around the world.
