

The Rotary District 9810 Sustainable Communities  
Committee invites you to its

## **Annual Seed Sowing Day**

**Saturday Feb 13<sup>th</sup> at 10am-2pm**

7 Rutland Ave, Templestowe  
(Home of Committee Chair Pat Armstrong)

Lunch will be provided. Please bring a reusable water bottle and mug for tea/coffee. We will have sunscreen and spare disposable gloves, but please bring your own if you prefer.

Please RSVP your attendance and any dietary requirements to Pat by Thursday 11<sup>th</sup> Feb on 0419381 790 or [pat.arm@bigpond.net.au](mailto:pat.arm@bigpond.net.au)

*Due to recent changes to COVID restrictions, your RSVP is very important to ensure we all remain safe. We will be working outside with plenty of room to socially distance. Please bring a face mask.*

- Our seedlings will be planted on private farmland in the Beaufort area, supporting Landcare's efforts to create wildlife corridors and prevent erosion.
- Individual volunteers are needed to look after boxes of seedlings until planting in late July.
- If you/your club would like to be part of planting out the tree seedlings for our Tree Project in 2021, please be in touch with the 9810 Sustainable Communities Committee.
