INVOLVEMENT

Because of your loyal support, our Club provided the most consistent donations raising **\$90,000 over 11 years.**

Interplast Australia and New Zealand is a non-profit incorporated company established as a joint project between the Royal Australian College of Surgeons and Rotary.

Funds raised by the Interplast Golf Day will be used to finance **volunteer surgical teams performing re-constructive surgery and training to correct severe facial deformities** among young people in South East Asia and the Pacific Islands.

Whatever involvement you can offer for these kids will improve their lives. Over the last four years our loyal supporters raised over \$30,000 and are entitled to be proud of their contribution to eliminating the disfiguring cleft palate condition of these children. This is life changing surgery that can allow them to eat and breathe normally and spare them and their families being shunned by others.
