

No woman  
should die  
while giving  
life

Over 300,000 women die annually from pregnancy or childbirth-related complications. The majority of these are in developing countries. BKFA is an organisation dedicated to improving the conditions for women all over the world by providing clean Birthing Kits. Its simple contents provide the resources to reduce infection and fatalities.

Come along; give your time to this great cause, make new friends and leave that afternoon with a warm fuzzy feeling. *Everyone is welcome.*
