

INVITATION

to attend an
Information Breakfast
presenting our
Challenge to Lead
programs

It is with great pleasure that we invite you to attend an **information breakfast** which will present an overview on how we can help you meet **your challenge to develop effective leaders**.

Effective leadership is in short supply but is a must-have capability for any individual or organisation wanting to get ahead in the world and achieve and earn more.

Take up your challenge to lead!

Based on Kouzes and Posner's *Five Practices of Exemplary Leadership*® model and their award-winning, best-selling book on leadership, our **Challenge to Lead** leadership development program used by many worldwide organisations including FedEx, Microsoft, GE and Dupont.

Our **Challenge to Lead** program is an exciting and intensive 3- day residential program that liberates the leader within and enables participants to make extraordinary things happen ... for themselves, their followers, their organisations, and the world.

Meet our facilitators and find out more about this opportunity.
