## Webinar Topic: Managing projects

Whether you are involved in projects at work or as part of your Rotary/Rotaract involvement, their success, as well as the enjoyment and engagement of the team members, will owe much to the way in which they are planned and coordinated.

Drawing on decades of experience in training project managers (including ANZ Bank) as well as hands on project management, this brief (1 hour) Managing Projects presentation provides simple and practical techniques from start to finish to maximise the chances of enabling great project results which are applicable to industry and organisations alike.

**SATURDAY 26TH SEPTEMBER 10AM, WITH Q&A**
