

INTERACT CONFERENCE
“MAKING A DIFFERENCE”
Saturday March 24, 2018
9:00AM – 4:00 PM

Silas Deane Middle School
551 Silas Deane Hwy
Wethersfield, CT 06109

We are looking forward to another great Interact Conference! We hope to have representation from each Interact Club in Rotary District 7890. This year's conference has a new location/time, new lower fee, and a new **STUDENT LED** program. We hope you are ready!

The fee this year is only \$20/person. Breakfast will be a light assortment of bagels, donuts, and pastries. Lunch will include chips and pizza. If there are any food allergies/accommodations please let us know when you register so we can make sure you are fed. Everyone who registers by March 10th will be guaranteed a t-shirt. Late registration will not include a t-shirt as they have to be ordered, printed, and delivered in advance. The Registration Form is attached to this email and can be scanned and emailed back to avoid postage. **Each attendee needs a form.** Payments can be brought the day of the conference.

All clubs will get the opportunity to give a 5 minute presentation. This year we would like each club to showcase just **ONE** fundraiser **OR** service project that they feel was the biggest or made a great impact. Focusing on just one project will allow you to spend more time explaining the planning and execution, so that clubs that are inspired know how to carry out a similar fundraiser/project.

Also attached to this email is the information on how to get the 2017-2018 Presidential Citation. This is due by August 15th.

Remember your Interact Banners. We look forward to a fun and exciting event!
