

## HELP US "CELEBRATE IN BOISE"

Lois and I are pleased to invite you to attend Zone 21B/27's Institute September 4-9, 2018 in beautiful Boise, Idaho. This will be the final Institute in our current Zone structure and we're inviting everyone to come and help us Celebrate the great things we have accomplished and the wonderful fellowship we have shared.

Our event will take place at the beautiful, new downtown Boise Centre adjacent to the elegant Grove Hotel, within easy access to popular attractions the area has to offer. Boise is both a vibrant, modern city and the gateway to the Northwest, nestled against the beautiful mountains that overlook the city.

Our event will offer not only training for our District Governors-Elect and District Governors-Nominee, there will also be training for our Emerging District Leaders and "Best Practice Forums" for our District Governors, District Membership Chairs, District Foundation Leaders, District Public Image Chairs and District Trainers. We will also have a Past District Governor Forum providing an opportunity for our PDGs to share ideas with Rotary Senior Leaders.

We will have some of the finest speakers in Rotary and many breakout sessions in which our Rotarians will be able to share their amazing successes in providing service, improving membership development and telling Rotary's story to the public. In addition, we will enjoy some outstanding entertainment features, including celebrating class reunion night with a "Basque Night Street Party."

We encourage everyone to come to the beautiful City of Trees and make it a part of your vacation. And above all, "Let's Celebrate in Boise!"

Larry and Lois Dimmitt  
Rotary International Director 2018-2020
