**THE ROTARY CLUB OF MARKHAM SUNRISE**

**WEDNESDAY, FEBRUARY 10 AT 12PM**

Paul Hellyer, born 6 August 1923, is an engineer, politician, writer and commentator. He is the longest serving current member of the Privy Council of Canada, just ahead of Prince Philip.

In recent years he has become interested in the extraterrestrial presence and their superior technology that we have been emulating. In September 2005 he became the first person of cabinet rank in the G8 group of countries to state unequivocally “UFO’s are as real as the airplanes flying overhead.” He continues to take an interest in these areas.
