

**Rotary International District 7410
 Rotary Foundation Centennial Celebration
 November 12, 2016
 Ramada Inn
 820 Northern Boulevard Clarks Summit PA**

The Foundation is the \$1 billion charitable arm of the Rotary International. Established in 1917 with a donation of \$26.50, The Rotary Foundation is dedicated to advancing world understanding, goodwill and peace. Through grants and other resources, Rotary members develop sustainable projects that promote peace, fight disease, provide clean water, support education, save mothers and children, and grow local economies.

Rotary's top priority is the global eradication of polio. Rotary launched its polio immunization program, PolioPlus, in 1985 and in 1988 became a leading partner to the Global Polio Eradication Initiative along with the World Health Organization (WHO), the United Nations Children's Fund (UNICEF), the U.S. Centers for Disease Control and Prevention (CDC) and more recently, the Bill & Melinda Gates Foundation.

Rotary has contributed more than \$1.5 billion and countless volunteer hours to eradicate polio. Through 2018, every dollar Rotary commits to polio eradication will be matched 2-to-1 by the Bill & Melinda Gates Foundation, up to \$35 million a year. Since the initiative began, the incidence of polio has plummeted by more than 99.9 percent, from about 350,000 cases a year to less than 71 confirmed in 2015.

To Celebrate 100 years of doing good in the world, Rotary District 7410 is planning a Foundation event on November 12, 2016 at the Ramada Inn. We would love to count on you for support in making this event a success and join us as a sponsor.
