ROTARY CLUB OF SEDONA VILLAGE CHARTER PARTY & RECOGNITION CELEBRATION

Saturday, June 30th, is the date for the Rotary Club of Sedona Village's **First, Once-Only-Ever, Charter Party and Recognition Celebration**. The Village Club has received its charter from Rotary International and our Rotary District 5495 Governor, "short timer" Nancy Van Pelt, will make the formal presentation of the Charter to the charter members of the Village Club and assembled well-wishers. District 5495 Governor Elect, "smilin'" Jim Erickson, will be present to participate in the celebration.

The program will also include giving our retiring Satellite Club Chair, Lori Zaleski, the "Village Boot" in the best District 5495 tradition. We will make a Paul Harris Award to Gerri Beaudin for philanthropic giving to the Rotary International Foundation, and welcome the incoming leadership for the new Village Club. Our much anticipated guest speaker will be Rotarian Larry Horton from the Tempe Rio Salado/Camelback Crossroads Club. Luminaries will be everywhere: bring your autograph books! And there's more, but not fit to print.

Mike Smith, of Olde Sedona Bar & Grill and Redstone Bar & Grill fame, will provide a sumptuous buffet dinner, with a cash bar. The bar will open at 5:00 with dinner at 6:00. The plan is to adjourn the program by 8:00, so we can all do what Rotarians do best: have more fellowship and fun.

It is with great pleasure and anticipation that I, on behalf of the Village Club, invite you and your guest, to join us at this historic, never to be repeated, event. It is being held at the Oak Creek Country Club Ball Room: 690 Bell Rock Boulevard, Sedona; that would be in the Village of Oak Creek, where traffic is "no problem." Ahhh, yes, the cost, you ask: \$30 per person; cheap at twice the price. The dress will be cocktail attire; whatever that means.

You may RSVP, that's like letting us know whether you're coming, by e-mail (thlegalguy@aol.com), or calling me on my cell at 310-463-7732, by Monday, June 25th.

Sincerely,
Rob Schaefer
