Raise funds for your charitable projects.

What is \$20,000 Dream Vacation Raffle 2018?

\$20,000 Dream Vacation Raffle 2018 is a multi-non-profit raffle which offers a grand prize of \$20,000 that may be used toward the winners Dream Vacation or any other purpose. Raffle tickets are only \$25.00 each and may be purchased online or in-person. For every 5 tickets in a single purchase, the buyer will receive 1 free raffle ticket. If fewer than 1600 tickets are purchased, the grand prize will be one-half the raffle sales proceeds. For each paid ticket that a non-profit refers, it will receive \$7.50 after the raffle drawing (April 27, 2018 or when ticket sell out). Non-profit referral proceeds must be used only for the type(s) of project(s) your non-profit listed in referral communications of the raffle opportunity.

Why should your non-profit participate?

1. To fund your non-profits' projects with **little effort** from your members.
2. **Earn \$7.50 for each paid ticket** your non-profit refers.
3. **Build goodwill and better relationships** with your members/customers/friends by providing them an opportunity to win a prize with your non-profit in mind.
4. The non-profit referring the grand prize **winning ticket** receives **\$1000**.

Referring tickets is easy. Tempe South Rotary Foundation (TSRF) will provide your non-profit with a sample email that your members may send to their contacts. The email will include 'Buy Tickets' buttons which will allow your member contacts to buy their raffle entries online from a webpage personalized for your non-profit. The ticket buyer and your non-profit contact will receive an email with information on the buyer and the ticket(s) they purchased.

For in-person sales, your non-profit may subscribe/commit to any number of physical tickets. TSRF will provide a raffle entry form in Word format which you may personalize for your projects and identification. Your ticket buyer will complete the customized printed form (optional). Your member will collect the funds, deliver the physical ticket to the supporter, ensure the buyer contact info is written on the back of each ticket stub, staple the ticket stubs and funds to the form, and deliver the form to your non-profit contact or TSRF for entry into the raffle. Your ticket buyer and non-profit contact will receive an email from TSRF confirming the purchase entry into the raffle drawing.
