

Rotary
District 5495

Grant Management Seminar (GMS): **REQUIRED** by The Rotary Foundation to qualify for **Global Grants and District Grants**

For a club to qualify for grants funds in the Rotary year 2019-20, at least one club member must have attended GMS. (See all qualification requirements posted on the District website.)

Who should attend: It is recommended that the club's **Chair for The Rotary Foundation** and **President-Elect** attend. *Please note: A Club can send as many participants as desired!*

What will be learned: This 90 minute seminar will cover the responsibilities for grant stewardship, the application process, and the reporting requirements. This seminar will help a club start planning early for a *District Grant!* A *District Grant* provides additional funds for a club's local/community project in 2019-20.

A club must apply for a 2019-20 *District Grant* between April 1 and June 30, 2019.

No cost to attend this seminar!
