

Date 23<sup>rd</sup> April 2023

Fellow Rotarians,

With the District Assembly being held on Saturday 28<sup>th</sup> April we have been able to extend the registration to the event until **WEDNESDAY 26<sup>TH</sup> APRIL TO 8.00PM**

The registration link is below. As this day also includes the Special General Meeting to approve the 3 items as forwarded to all members in the GIST it is important that your club has a representative in attendance.

Rotary changes each and every year and this is the reason we have a District Assembly to inform you all of responsibilities for the various roles but you also hear from your District Governor Elect Paul Roger on the International Theme and his goals for 2023-2024

It is also recommended that all Directors complete their Learning modules in the Learning Centre as they are constantly being updated, plus it provides a great insight to your roles.

## WHAT TO BRING

**Club Name Badge; Wear club shirts; pen, paper, ideas**

Please note that should any Board position be unable to attend, please ask a club representative who has shown interest in learning more to be present. We would like to see representatives from each club in attendance, otherwise you just miss out on so much information. These sessions are not recorded.
