

## INTERNATIONAL DINNER

### Ethiopian Cultural Dinner

### Tickets Limited to 100

Come. Bring your friends. Experience the food, culture and dance of Ethiopia

Help to raise \$8000 to send a container of medical supplies to Ethiopia

Ethiopia is one of the poorer nations of the African continent and has been ravaged for years by civil war, major flooding and now COVID. Many essential medical services we take for granted are not available, and as a result, unless you are wealthy, you will likely die if unable to access basic medical services.

Through its network and with the help of local hospitals, Rotary has been able to acquire and repurpose discarded medical equipment like dialysis machines and send them to Ethiopia.

**When Saturday 25th September 2021**

**Time 6:pm**

**Where —Bribie Respite Centre Community Hall**

**108 Arcadia avenue Woorim**

**Bribie Island**

**Cost \$50 pp**

**BYO**
