Make your day with your favourite song and make it  
a good day for someone else in the world

On the 1st of January 2022 I decided that the world needed more singing and dancing.

So, on the day of posting on my Fb page, for each 'like' or comment I receive, I shall donate \$1.00. For every request I will donate \$2.00.

All funds raised go to the Global Nurses & Midwives Rotary Club Projects Account. Our members then decide which fabulous projects the donations go to in assisting citizens of the world.

If you wish to make a special request and also want to donate to our Projects Fund, we would love you to do so.
