

It's In the Bag

The Rotary nomads have participated in this amazing project of collecting handbags and filling them with necessities and luxuries for the past 4 years. Last year we collected over 300 handbags which we then gave to Share the Dignity to be dispersed to people in need.

We are doing it again this year and we need your help. Clean out the cupboards and see if you have any handbags in good condition. If you have any donations, please contact Allison or myself to organize collection.
