HELP URGENTLY NEEDED

By

ROTARY AUSTRALIA REPURPOSING EQUIPMENT (RARE) [Formerly Donations in Kind (DIK)] Northern Region

Sincere Apologies, but due to late changes in the Shipping Schedule, the container that was to be packed on Saturday 3rd September 2022 will not be available for packing until Saturday 17th September 2022.

The normal roster scheduled for Saturday 3rd September 2022 is still on. If possible, it would be appreciated if the other volunteers who were planning to attend this Saturday could attend on Saturday 17th September 2022 instead. There is plenty of work for those volunteers who will be attending this coming Saturday.

Volunteers are urgently needed to assist with the packing of this container on

**Saturday 17th September 2022
commencing at 8.00am**

Address: 23-25 Mary Street, Kingston

Clubs with volunteers prepared to assist should contact RARE at either rare.rawcsnorthern@gmail.com or on mobile 0466 556 042 with numbers by Wednesday 31st August 2022
