

New Beginnings is dedicated to assisting those amongst us who are homeless or at risk of being homeless. This project is an initiative of the Rotary Club of New Farm, reflecting members' desire to support our community.

The club is involved with established community groups, providing support in a wide range of activities from art classes, conducting fund raising events and general volunteering.

We are educating ourselves and the New Farm community through involvement with QUT and their social work student placement program so we can provide support, mentorship and resources to those who need it.

Join us, by volunteering your expertise and time or by becoming a member of joining Rotary New Farm and the New Beginnings team.
