

## Travel Guide # 8

# Wednesday 23rd November, 2022

## Destination - Ski slopes with ISFR

Each year, International Skiing Fellowship of Rotarians (ISFR) members travel to different ski resorts round the world to meet up and ski together. ISFR partners with local clubs to organise activities for both skiers and non-skiers, including mountain tours, dinners hosted by Rotary members, and visits to local and historical sites. The fellowship has a long history, first meeting in 1974 and has grown to over 250 members.

Both Eric and Wendy Boon are members of ISFR and tonight they will be sharing the adventures they have had, both on the ski slopes and at local tourist spots, at destinations as varied as Whistler, Slovakia and Austria, as active members of the International Skiing Fellowship of Rotarians.

Please get together your family and friends and book in to hear all about Eric and Wendy's travels.
