

Travel Guide # 5

Wednesday 24th August, 2022

Destination - Alaska

Once again we have a very special couple sharing their travel experience with us. Make sure you bring along your partner, family and friends to enjoy 'travelling' to some amazing, interesting, historical and culturally fascinating places.

This month Jack and Ann Kraan are taking us to "The Last Frontier", Alaska.

Here lies a land of unfathomable natural beauty, a state so vast and wild that parts of it remain unmapped, even today.

Everything about Alaska nudges the extreme end of the scale. The largest state in the USA, boasting more than 3 million lakes, 3000 rivers 1 million glaciers and 17 of America's 20 highest peaks.
