

Travel Guide # 2

Wednesday 23rd February, 2022

Destination - Morocco

Time for our next 'travel fix', and once again we have some special people sharing their travel experience with us.

Make sure you bring along your partner, family and friends to enjoy 'travelling' to some amazing, interesting, historical and culturally fascinating places.

This month we will be travelling with Sharon and David Anderson to the exotic shores of Morocco, a country where African, Arab and European cultures are entwined.

Located at the mouth of the Mediterranean Sea, Morocco is the closest point of contact to Europe for Africa as a continent. Morocco is a land of tolerance, a blend of cultures and religions, a country known for its amazing hospitality. The fascinating mixture of history, art, food, music and architecture makes Morocco an unforgettable destination.
