

Travel Guide # 9

Wednesday 22nd February, 2023

Destination - The Northern Territory

It's that time again, when we are able to get our next 'travel fix'. Once again, tonight we are travelling close to home and exploring some of our own magnificent country!

Make sure you bring along your partner, family and friends to enjoy 'travelling' to some iconic Australian destinations.

This month, we are going to board The Ghan and join Geoff and Di Double on their journey through the Northern Territory. Tourism is an important economic driver for the territory and a significant industry in regional areas. Iconic destinations such as Uluru and Kakadu and towns such as Alice Springs, Katherine and Darwin, make the Northern Territory a popular destination for domestic and international travellers.

Diverse landscapes, stunning waterfalls, picturesque wide open spaces, aboriginal culture and wild and untamed wildlife provides the opportunity for visitors to immerse themselves in the natural wonder that the Northern Territory offers.
